

That we've been so wordy this week, there's no room for this column. We must say, however, that after last Monday evening's dinner meeting, the newspapermen in Orange county will no longer have reason to "rib" us about the Cypress "where's that?" Enterprise. We tried to present our town in such a way that they couldn't forget, and with the wonderful cooperation of the citizens, feel that we succeeded to a great degree.

That Rick (watch shop) naval hospital patient came in during a short "leave" on pass to suggest that with our help and maybe that of Frances Langford, who does so much for the hospitalized servicemen, maybe we could persuade the officers that four hours is no pass at all. Maybe, if we were beautiful like Frances, we could be of some help. Although we lived in Hollywood for four years, we can't count her one of our acquaintances. Isn't somebody related who could see that she heard of Rick's plea in behalf of fellow sufferers?

That the R. J. Edwards' home is one of the few we've had the privilege of visiting where there is a television set. More than that, they have a separate room set aside for that pleasure. By the way, the interior of their home during the past year, shows what foresight and planning over a long-range period can do.

That Earl Essex was driving a car this week which he called "the blue panther." Competition, eh?

That the Reverend W. D. Howard was gone this week attending a young people's conference. The only time we can catch him is when he's supervising the twin's feeding time.

That Mrs. Roy Coniam came in to renew her subscription to this paper this week. The reason we like to comment particularly is because, as we mentioned last year, a file is being kept in their home of every issue since it began publication for Cypress alone. They feel this will be interesting in future years when Cypress is a big city! More power to them and residents like them who are proud they live here.

That it never rains but it pours. The L. W. Davis', 8311 La Salle street, recovered from the shock of their pet cat's having four kittens, only to be presented a few days later with a litter of nine (one died leaving eight) pups by their mongrel pet dog. Davis says to make him an offer. If you're not in the market for dogs and cats, try him for tires. He sells them, too, you know.

That Mother, who is a Nebraska "farm gal" fundamentally, was highly enthusiastic following a brief glimpse into the interior of Earl's Fryer ranch, being conducted by Siple himself. She wouldn't have believed the scientific procedure, if she hadn't seen it, and the cleanliness and tidiness.

That we saw Alma Adams this week, who you may remember was a proud auntie last winter when a nephew's parents took the trouble to see that he was born here and not in Arabia. However, the little fellow is in Arabia now, having stood the trip beautifully except for a short stay in Rome. He highly disapproved of that city, apparently, walling loudly during his entire stay. If you love dogs, you'd love Alma's "watch dog"—part chihuahua and part schnauzer. She's only pint size, but she has personality.

That the Kreisslers, Happy and Jean, took their installation as heads of the VFW and auxiliary in their strides. They were good sports about being called before the myriad pairs of eyes, to unwrap a strange-looking "gift" package. A great deal of merriment ensued when the box was found to contain all kinds of fruit and fresh vegetables—enough for a giant-sized salad or stew. Could be a sailor tied that knot? We must mention, also, the attractive corsages which the local girls made for themselves and members of the installing team—from flowers grown in their own yards. They were beautiful, attractive, and original. A credit to a professional flower arranger.

P.T.A. To Meet Thursday, May 12

The regular monthly meeting of the P.T.A. will be held in the school auditorium Thursday evening, May 12. The group will install the newly elected officers chosen at the April meeting, with Mrs. John Lukens to again head the organization as its president.

The kindergarten will take part in the school's program. A film will feature the program during the evening, under the direction of program chairman, Mrs. Frank Noe. It is expected that this will be an exceptionally interesting meeting and all members and friends of the P.T.A. are urged to be present.

Orange county had 43 applications for Old Age Security sent in for the week ending April 23. The previous week, there were only 35.

CYPRESS BAPTIST CHURCH HONORS MOTHERS SUNDAY

When the Baptist church in Cypress has a SPECIAL Mother's Day program—that's exactly what it is.

Rev. W. V. Buckner has announced three novel awards will be given during the Mother's Day program. The first one is a bouquet to the youngest, while the mother with the most children present gets the final flower award.

SPECIAL MOTHERS' HONORS BY NAZARENES

Programs of special interest to the mothers have been planned by the Cypress Nazarene Church for this week-end.

Thursday evening a Mother-Daughter banquet was given in honor of the mothers of the Junior girls who are members of the Sunday evening Junior Society.

Sunday morning the Beginner, Primary and Junior boys and girls will present a program of poems and songs for their mothers during the Bible school hour.

Following the program Rev. William Howard will speak to the Mothers. His Worship hour message will be entitled "Today's Need—Mothers!"

LADY OF FATIMA SOCIETY TO MEET IN CYPRESS

The next monthly meeting of our Lady of Fatima society will be held on Wednesday, May 11, in the home of the Albert Souza's, 5446 Bishop street. Mrs. Souza will be hostess to the group, and the meeting is called for one-thirty o'clock.

ITEMS OF INTEREST

Mr. and Mrs. Ralph Ellsworth, their son, Harvey, and grandson, Harvey, Jr., recently enjoyed a several days visit at the Mallory ranch in Perris.

Mr. and Mrs. William Lightfoot are announcing the birth of a grandson, William Edward Shelters, son of Mr. and Mrs. Gerald Shelters, who made his debut on May first in Plymouth Michigan. The baby was named for his two grandfathers and is the second child for the Shelters. Mrs. Shelters will be remembered as the former Frances Lightfoot.

Mr. and Mrs. Ferdinand König and two sons, George and Jack, have moved to Oroville, where he will be employed.

Mrs. Virginia Quast, 8351 south Moody street, has been working in Long Beach.

CYPRESS WOMAN BOWLER GOES TO OHIO TOURNEY

Dorothy O'Neal left Monday for Columbus, Ohio, where she and five other Orange county women will represent the Orange County Women's Bowling Association in the 41-day Women's International Bowling Congress.

The local bowlers will only participate for one week, however.

MERCHANTS RACK UP 14 TO 3 WIN OVER L. B. TEXACO CHIEFS

A 14 to 3 victory over the Texaco Chief softball team from Long Beach marked the Cypress Merchants' third pre-league win against only one loss Wednesday night on the local diamond.

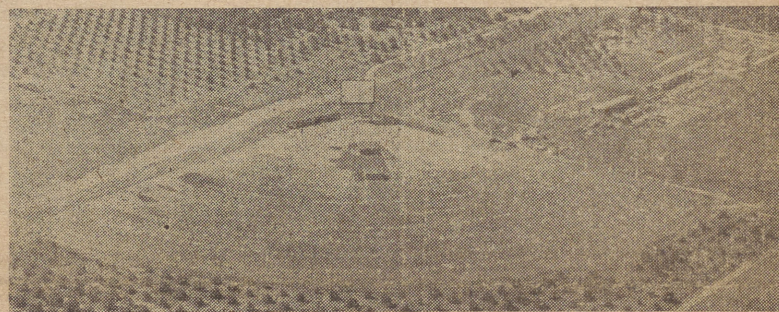

Pitcher Earl Holiday didn't let the visitors get started as he held them to two hits in the first five innings while his mates ran the score to 4-0.

After Holiday was relieved in the sixth for a rest, the Chiefs garnered their three runs in the remaining innings, but the Merchants continued their campaign by bringing in three runs in the sixth, and two in the seventh.

A five-run barrage in the eighth cinched the game for Cypress.

Norman Duncan led the parade of hitters for Cypress by getting three bingles.

NEW CINA-CAR THEATRE

Shown above is an aerial view of the Montgomery Brothers' new drive-in theatre, which will hold its grand opening Thursday, Friday and Saturday, May 5, 6, 7. The managers say that there are facilities for 600 cars, and that pre-opening tests of the sound equipment proved excellent. For complete story, see page 3.

Gets Official Confirmation As Postmaster Here

An impressive-looking document signed by President Truman issued to Mrs. Ruth Pugh, announces that she is now recognized as official postmaster of the Cypress post office. Mrs. Pugh is assisted by her husband, Evan Pugh, and daughter-in-law, Mrs. Harold (Nellie) Pugh.

The postal authorities have made a change in the mail schedule recently, which Postmaster Pugh feels may have been overlooked by the public. The last mail out in the afternoon, going to Santa Ana, is now picked up at 3:25 p. m. instead of 4:30 p. m.

Starting Monday, May 2, this change was made in order that mail would be in Santa Ana in time to be dispatched on the helicopter which also maintains a 4:30 schedule. Otherwise, mail laid over there until morning.

For any kids who might have entered the California Highway Patrol's safety slogan contest, we can tell them they didn't win. A 17-year-old girl from North Hollywood won with the slogan "Safety First Makes Safety Last." She won a new bicycle.

P. E. IS SUED BY VICTIMS OF 1948 CYPRESS ACCIDENT

Two damage actions were brought into court Saturday against the Pacific Electric as a result of an accident in Cypress April 29, 1948.

Injuries were suffered by a small child and a young woman in the mishap when an automobile and a P. E. train collided at Miller road crossing.

Each suit demands \$25,000, claiming that Motorman Finley J. Tannehill was traveling in excess of 50 miles per hour and that he gave no warning signal when he approached the crossing.

Elmo E. Scott of Buena Park sued on behalf of his 8-year-old daughter, Bonita Jo, while Doris Jean Amend, 21, who was a passenger in the automobile with the girl and Carl W. Hartog, the driver, sued for the same amount for her hurts.

RICHFIELD STATION HAS SUCCESSFUL DRAWING FRIDAY

The Richfield service station at the corner of Lincoln avenue and Miller Road announced several weeks ago that free prizes would be given away on Friday evening, April 29, in a drawing of tickets given with the purchase of merchandise.

Lucky winners were Frank J. Costa, 7842 La Palma, tires; Don Wedeking, Cypress, a case of oil and Nickle Mohler, 6412 east Orange avenue, a grease job.

A few of the prizes have not as yet been claimed.

Community Club Begins Activity For Square Dance

Citizens of Cypress will be "Swing Your Partner" conscious when the Saturday night of June 4th rolls 'round—that is, if the Community Club has its way.

All the women of the club will be out next week selling tickets for a June 4 Square Dance to be held in the new hangar at the Cypress Airpark. Money from the affair will be put in a fund to equip a new kitchen in the clubhouse being planned.

The women have taken care of everything women can think of. For those who say they don't know how to square dance, arrangements have been made for a professional caller from Long Beach, Harry Miller, to bring along some assistants to teach beginners.

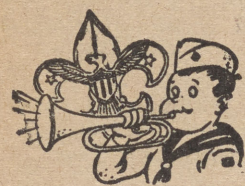

The hangar will be decorated to bring out the country atmosphere and prizes will be awarded at different times during the evening.

Heading the committee in charge of the dance is Mrs. Jim Bryant as chairman, aided by Mrs. R. V. Hathcock, H. A. Kelley, Hector Dyer, Ross Nester, Al Lewis and Joseph Fernandes.

Husbands and friends of the members of the committee should be aware that there will be some heavy work to be done on the morning and afternoon of the dance. As Mrs. Bryant put it to the press, "Strong volunteers are needed."

Boys On Team To San Luis Obispo

Robert Van Dyke and Bill Teague, two members from Cypress of a three-man judging team of the Future Farmers of America, are spending the week-end in San Luis Obispo. The boys, Anaheim union high school students, will visit the state agriculture college on Saturday. They are entered in the state cattle judging contest. Besides cattle judging, competition will also occur in carpentry and dairy products.

CAMPING TRIP

Boy Scouts who plan on going camping with the group on Saturday at one o'clock will meet at the scout house on the school grounds. Scouts are asked to be on time so that all may leave promptly.

If there are boys in the troop who would like to go on the trip but who cannot pay the hike fee of \$1, a loan will be arranged.

NEW MEMBERS

The scouts have renewed their interest in scouting to a great extent since the scout house has been returned for their use from the school. Scout equipment was transferred from the main building back to the scout house before Monday evening's meeting. New members are Tom Dyer and Robert Mata.

LAST MEETING

A. G. Laird, a guest at Monday night's meeting, spoke with enthusiasm of camping and the interest and development of scouting in the future. Scoutmaster Kepner discussed camping and camping equipment, in preparation for Saturday's troop trip.

Dale Kroesen, representing the Enterprise, explained a system whereby the boys in the troop could sell yearly subscriptions to the newspaper, thus giving them an opportunity to add substantially to their treasury.

Present at the meeting were sponsoring VFW Post No. 9847 committeemen John Sutphin, chairman, and Frank Buzzo, treasurer and publicity chairman.

A Green Bar meeting was held after scout meeting. Present were R. Garrison, B. Washburn, L. Taylor, W. Martin and K. Laird.

Last Saturday was a busy day for Cypress Boy Scouts. The large vacant lot on the corner of Lincoln avenue and Walker street was cleaned of weeds and debris.

This service was especially appreciated by persons who park opposite the post office and eliminates the necessity of alighting from the car into a curb full of tall grass. Besides, the danger of a grass fire is eliminated and the property has an improved look.

County Publishers Meet In Cypress

The staff of the Cypress Enterprise was host Monday evening to the members of the Orange county unit of the California Newspaper Publishers association. Dinner was served at Ernie's drive-in, following which guests listened in spellbound attention to a talk by Wesley Dickinson, associate of the late Grace Wiley at the snake farm which was for so long a Cypress landmark.

Dickinson is a speaker of unusual ability, and in addition brings the subjects of his remarks along with him to demonstrate his "for instances." His object in appearing before public audiences is the hope that he will win friends and influence people to better understand and appreciate the reason for snakes and their existence.

Several products were arranged in a display to better acquaint the newspapers with the industries and businesses operating in Cypress.

In addition to the speaker and members representing several newspapers in Orange County, guests included Stanley Jones, editor of the California Publisher, Los Angeles; Hugh B. Baker, southern branch office manager of the CNPA, Los Angeles; and R. V. Hathcock, president, Cypress Chamber of Commerce, and Mrs. Hathcock.

Paul Kroesen, president of the organization, presided at the short business meeting which followed the program.

Give Shower In Milbourn Home On Orange Ave.

Mrs. Lucille Goss was the recipient of many lovely gifts at an antelope shower given by Mrs. Vickie Milbourn, 6372 east Orange street, Tuesday evening. Assisting Mrs. Milbourn was Miss Vera Freitag, co-hostess, and guests were sister Rebekahs of Artesia lodge.

The centerpiece was fashioned by the hostess of green and white crepe paper, stitched and ruffled, and in the center was a May pole, with the gay ribbons leading to plastic baby dolls, placed around the table.

Interesting games resulted in prizes being won by Miss Madeline Guthary and the Mmes. Ethel Gire, Allene Kelley, Hazel Wright, Evelyn Wood and Edith Stine.

Present in addition to those previously mentioned were Mmes. Ada Caldwell, Edna Lillard, Julia Inglis, Ernestine Adams, Evie Juner, Dorothy Beason, Minta Riggs, Flora Beebe, Christa Christian, Burdette Markwood, Leona Myer, Byrdie Bickford, Naomi Doane, LaVonne Barrick, and Rebecca Coffman. Those sending gifts, but unable to be present, included Hazel Dillingham, Jenny Parker, Myrl Appleby and Mildred Reil.

The annual meeting of the Orange county deaconry, council of Catholic women, was held in Santa Ana last Thursday with more than 300 women in attendance. Complimenting the deaconry on its wonderful progress in all phases of work, Archbishop Francis J. A. McIntyre of Los Angeles appeared before the group, as did Father Callaghan of Santa Ana.

Representing St. Pius parish from Cypress were Mmes. Frank Cardozo, Pete Van Reuten, Albert Souza and Leo Smith. Mmes. Leonard and George La Prairie, Nace Heaverson, George Waldman, E. Jenkinson, B. Barnes and J. McIntyre attended from Buena Park.

HOME BAKE SALE SUPPLIES FUNDS FOR HUNGARY FAMILY

A spot in front of the Post Office is to be occupied by members of the Junior Women's club Saturday. They will be selling home-baked pies and cakes to raise funds for one of their projects.

The cause they need money for is a family they are supplying with clothing in Hungary. The postage on the packages they must send such a great distance is quite large, so they are selling pastry to help finance it.

VFW AUXILIARY SETS NEW NIGHT FOR MEETINGS

Mrs. Jean Kreissler presided over the first meeting of the VFW auxiliary since the installation of new officers when the group met in the VFW meeting hall Tuesday evening.

It was voted to hold meetings on the first and third Monday evenings in the future, after concluding that this night suited the group's best interests.

Committee heads were appointed and delegates named to the district convention and also the department convention, both of which occur soon.

It was decided to help the post in its annual poppy day, and to start a "galloping basket" as a means of raising funds for the unit.

Members are asked to not forget to make reservations with Mrs. Opal Walter for the luncheon meeting at Knott's berry farm on May 18, to honor a visit from the national president. Reservations will be received through May 10.

CENTRALIA P.T.A. STAGES OLD FASHIONED PARTY

Centralia parents will take over the school tonight at 5:30 when the P.T.A. begins its annual carnival.

A genuine, bonafide chuck wagon on has been secured from which the supper will be served as the opening activity.

Most of the evening has been planned with booths as the main types of games and prizes being awarded to the various winners, said Mrs. Carl Korn, president of the P.T.A. Later in the evening, there will be cakewalks, and the program will be concluded with movies in the auditorium.

ACCIDENT KILLS EAST OF HERE

A motorcyclist was killed on Sunday at 1:00 p. m. when his cycle was involved in a collision with a car as it was making a left turn on Lincoln Avenue near the intersection with Highway 39, south of Buena Park.

The cyclist was George A. Larson, 28, of 303 - 225th street, Torrance. The car was driven by Willard R. Clark, 33, of Anaheim.

MOTHER'S DAY

It's fine to set aside a day each year for honoring mother. She deserves it—and more. Her task is pretty rugged at best in spite of all the new inventions and devices aimed at making housework more simple.

But even if all her household chores were done by machine or by helpful members of the family her job still wouldn't be easy. There's much more to it than routine things. Most important is her service to her family as a counselor, confidant and comforter.

She must help solve the puzzling problems of her children, settle their quarrels, guide them in their activities, point out the right and wrong way—and this goes on not merely while they're tots or teen agers but often long after they're grown. In addition to this she is often called upon to advise and counsel her husband on business matters and then, just to fill in her spare moments, she usually has a few problems of her own.

Yes, mother well deserves her day. But we'll do a lot more to really honor her by being considerate and doing what we can to help her all during the year. That will give Mother's Day deeper and more practical meaning.

Poet's Corner

(Editor's note: The following poem was found among some old papers belonging to the late C. Frank Lyen of Cypress. His wife states that she was not aware of its existence, but on the side was the notation, "To Mother Howard," who is Mrs. Lyen's mother. It is especially appropriate at this particular season of the year.)

A MOTHER'S HEART
by C. Frank Lyen

A Mother's heart — a paradox —
No man has understood:
It stands the blow of hell's worst
blast
Yet holds the quintessence of
good.

A daughter's soul must pay in kind
For the love that's a Mother's
art,
But men are made of a sterner
dust
And know not a Mother's heart.

MRS. ERNEST HAZLETT SENDS
OLD RECIPE TO MAGAZINE

Mrs. Ernest Hazlett, 8351 south Moody street, recently sent a favorite recipe to Sunset magazine for chocolate cup cakes. The recipe was discovered in a book published many years ago, and with a few changes has become a favorite with the family because it is so simple — all the ingredients being assembled in the bowl and then combined. The magazine sent a check for \$2 to Jean, who says she has been very lucky because everything she has ever submitted since school days has been accepted. This is probably a family trait, since her mother, Mrs. Virginia Quast, has had many poems published which she has written.

"LUCKY DAY" SEES
PUPPETS SPONSORED
BY EIGHTH GRADE

Lovers of puppet shows will be happy to know that the Cypress elementary school's eighth grade will be responsible for three performances on Friday, May 13. The students will raise money through this means to pay their fares for a trip to the San Diego zoo, an annual treat for many years for the graduating class.

The Geard Puppeteers are giving the show. There will be three performances. At ten o'clock the morning kindergarten and the first, second and third grades will have an opportunity to attend; at one o'clock there will be a showing for the afternoon kindergarten and fourth, fifth, sixth, seventh and eighth grades, and at 8 p.m. the parents and interested adults in the community are especially invited. The price for children is 15c, and for adults 25c. The title of the show is "Hansel and Gretel."

There is no better form of theatrical entertainment that afforded by the age-old custom of puppet shows, every individual should plan to attend, for personal enjoyment and to aid a worthy cause.

New bases have been purchased for the use of the night ball teams as well as the school teams.

On Wednesday, May 11, class pictures will be taken. The procedure will begin at nine o'clock in the morning.

The P.T.A. is announcing its monthly card party to take place in the utility room on Tuesday evening, May 17. The public is urged to be present and have a good time.

CYPRESS
PERSONALS

Friends of Mrs. Gayle McCoy's mother will be happy to know that she has recently remarried and is living in Lafayette, California. She has been devoting her time to the interior decorating business in a small community near Oakland.

Mrs. Haines and the late William Haines, Mrs. McCoy's parents, formerly operated the Cypress Grocery, which was sold to Jack Fullerton when Mr. Haines passed away following a heart attack several years ago.

Mr. and Mrs. E. O. Cilley, of Oceanside, spent the week-end in the home of their son-in-law and daughter, Mr. and Mrs. G. W. "Nebb" Milbourn and family, 6372 east Orange avenue.

Mr. and Mrs. V. B. Moss, of Phoenix, Arizona, visited last week end in the home of their son's family, the James Moss's.

Mr. and Mrs. Ross Mester entertained their square dance club from the Long Beach YMCA at their home on Denni road last Sunday. A cooperative dinner was served shortly after noon, after which square dancing in the patio was enjoyed.

Earl Sartwell had his first plane ride last Sunday. However, the flight was made in the interest of science. He checked an altimeter and barometer which he had made himself from war surplus. The take-off was from the local airport, although Jim Bryant was not at the controls of the test ship. Jim suffered from a physical "development" over which he had no control, making sitting impossible last Sunday. Sartwell reports the experiment was a complete success.

Lynn Lyen was one of ten dancers selected by the Martin school of dancing to appear on the Alabama Jubilee minstrel at the Fremont school last Friday night, April 29. The event was sponsored by the Mariners' club of the Anaheim Presbyterian church.

JIM BRYANT, Owner

Hansen Road and Lincoln Avenue

**Work Completed;
New Drive-In
Is Ready to Go**

**600 Car Theatre
Will Open Tonite**

The long-awaited opening of this area's first drive-in theatre will be a reality tonight when the Cina-Car Theatre begins operations with two full color features tonight at 7 p.m. It is located at 6612 Lincoln Avenue, just west of the Cypress Airpark.

Owners W. W. and J. W. Montgomery give the proportions of their screen as the same as the side of an eight room house, and it is set back 700 feet from Lincoln Avenue. The theatre is equipped to handle 600 cars. Redwood, the center of an orange grove, adds to the natural California landscaping.

Individual car speakers of a new design will broadcast studio tone quality and will incorporate a volume control which the patron may adjust. A modern snack bar is at the convenience of all customers throughout the performance.

The Montgomeries point out that there will be continual improvement in the facilities as time goes on. The recent siege of bad weather has postponed some of the conveniences they had hoped to have at the opening.

TEEN - AGED DRIVER IN HOSPITAL AFTER AUTO COLLISION

Two youngsters were injured, one possibly seriously, when autos collided Monday at Hansen road and Orangehorpe Blvd., Buena Park. Hospitalized at Fullerton for treatment of injuries described as major is Bob Yonko, 16, of the 6600 block on Orangehorpe, driver of one of the cars. Also hospitalized was Gordon McGowen, 13, brother of the operator of the other car, Dean McGowen, 23, of 12212 Wisteria Pl., Artesia. Gordon's injuries were described as less serious. Dean McGowen was unhurt.

SIXTEEN STITCHES TAKEN IN ARM OF INJURED SMALL BOY

Little Norman Lourenco, son of Mrs. Josephine Lourenco, had the misfortune to fall on a broken crock and cut his arm severely, on Tuesday afternoon. While standing on the crock he lost his balance and the utensil broke into bits. Sixteen stitches were taken by the family physician to close the wound.

The accident happened at the home of the lad's grandparents, Mr. and Mrs. Anthony Mancebo, of Orangehorpe Avenue.

CYPRESS LOCALS

Sam Stenbeck, a salesman in the former All-in-All appliance store here, visited with friends last Saturday.

Several local dog fanciers attended the dog show held recently in Anaheim—the all-breed dog show.

Mrs. Carl J. Sanders, Sr., air-mailed enough beautiful roses from her garden to furnish the decorations for a meeting of the garden club on Wednesday to which she formerly belonged in their old home town of Anniston, Alabama. Mrs. Sanders has won prizes in the Lakewood flower show with her roses.

Mrs. Noxie Stearns entertained her Sunday School class from the Nazarene church in Cypress at the Stearns home on Western avenue Tuesday evening. Hamburgers and viennas were fried on the grill in the patio, and later the young people, who are in their first year of high school, visited Knott's berry farm, which is within walking distance of the Stearns.

Mr. and Mrs. Don Salters, will move into the residence at the corner of Hansen and Ball road in the near future, coming from Canoga Park, where they have owned an orange grove. Mrs. Salters is the youngest sister to Mrs. O. F. Dixon, and the family home was formerly occupied by their father, the late Cy Batis.

Gerritt Plantinga spent Wednesday in the vicinity of San Jacinto. Several members of his working crew helped with the construction of a new dairy in that location.

Mmes. C. L. Wicker, Carl Korn, Reuben Holland and Harvey Koss attended the recent P.T.A. convention in Los Angeles from Centralia P.T.A.

Mr. and Mrs. Jonathon Stogdill motored to Costa Mesa one evening this week to attend the birthday celebration of their niece, Miss Diana Crane.

WANTED — Lot close in on Lincoln Ave., Cypress. Write X, c/o Enterprise, Cypress.

Miss Esther Stradley, of Des Moines, Iowa, is visiting her relatives in Cypress this week. On an extended earned vacation from her position with Banker's Life, she is resting and relaxing in southern California before continuing up north to spend part of the time with other members of the family. Enjoying her visit here are her brother, Lee Stradley; sister, Mrs. Helen Clement, and her niece's family, Mr. and Mrs. Ernest Mitchell and children.

Mrs. E. V. Corby and her mother, Mrs. Mathilda Henning, returned home Monday from a visit to Fresno in the home of the former's son-in-law and daughter, Mr. and Mrs. Paul Brennenman.

Dan Norland has been forced to lighten his work at the Railway Sprinkler plant because of a series of light heart attacks. This is an especial hardship at this season of the year, when the plant has its peak load of orders.

Johnnie Coats, stock car driver, and his chief mechanic, Cypress Carl Harvey, drove a fast round-trip to Seattle last weekend, taking four trucks for delivery. They drove two and towed two.

Mr. and Mrs. H. C. Englestad, who have been living in Long Beach for the past year, having leased their home on Bishop street west of Moody, are now permanently located at the Admiral hotel, 612 West Ocean street, which they manage.

Through an error in reporting the birthday party last week tendered the Culp boys, Ralph and Russell, by their mother, Mrs. Price Seibert, the name of guest Charlene Lenerville was omitted. The Enterprise is sorry for this error, and thanks Karen Seibert for getting the correct information.

The Bob Miehls, Sr., took paint-up week seriously. The kitchen of their residence back of the flour mill has been beautifully redecorated, Bob being a handy-man as an interior decorator.
